

Ian McGregor

+1 714 864 1005 | imcgreg@ncsu.edu

EDUCATION

North Carolina State University, Center for Geospatial Analytics
PhD Candidate, Geospatial Analytics

Raleigh, NC
expected May 2023

University of Oxford, School of Geography and the Environment
MSc. Environmental Change and Management

Oxford, UK
September 2017

- Distinction for dissertation

University of California, Berkeley, College of Natural Resources
BSc. Conservation and Resource Studies, Society and Environment

Berkeley, CA
May 2015

- Dean's Honors

ENVIRONMENTAL RESEARCH

North Carolina State University
Ph.D. dissertation

Raleigh, NC
Aug. 2019 - Present

- Improving near real-time deforestation monitoring using multi-source satellite data
- Developing a novel method of combining satellite data (Landsat 8, Sentinel 1, Sentinel 2), and using time series analysis to quickly and accurately identify forest disturbances

Research Assistantship, Center for Geospatial Analytics

Aug. 2019 – Aug. 2020

- Contributed code and analysis for phenology research comparing ground-based eddy-covariance flux tower data with satellite (MODIS) data.
- Wrote remote sensing blog posts for lab website

Smithsonian Conservation Biology Institute

Front Royal, VA

Research Analyst, Ecosystems and Climate Change Lab

Sept. 2018 – Aug. 2019

- Led long-term ecological study of dendrology surveys and data analysis for climate change policy
- Analyzed dendrochronological records to quantify tree drought responses under climate change
- Created maps in ArcGIS and R and drafted content for publications

ForestGEO Technician, Ecology Lab and Conservation Ecology Center

Mar. – Sept. 2018

- Collaborated with field crew in surveying the Forest Global Earth Observatory study plot via application of standardized, tree research methodology
- Developed field maps for Smithsonian partners, and assisted with eMammal camera trap deployments

University of Oxford

Oxford, UK

Graduate Researcher, dissertation

May – Aug. 2017

- Created protocol for assessing prescribed fire policy in the savanna-rainforest mosaic in central Gabon
- Delivered recommendations to national park authority based on results from field research

Lab Assistant

Sept. 2017 – Mar. 2018

- Processed and analyzed tropical leaf traits in lab setting, ran MatLab for image analysis

Orange Coast College

Costa Mesa, CA

Research project

Mar. – June 2016

- Produced fire history maps for study region within Yosemite National Park and analyzed the spatiotemporal severity of fire spread in support of a UC Berkeley doctoral thesis

PROTECTED AREA CONSERVATION

Bolsa Chica Conservancy

Huntington Beach, CA

Program and Administrative Coordinator

Jan. – Sept. 2016

- Managed the revision of a botanical guide for the wetland reserve, via surveying, mapping, and cataloguing in a new database.
- Led as editor for quarterly newsletter, drafted science communication articles for local publication, drafted content for social media, supported grant applications.
- Coordinated and led wetland ecology education outreach, service projects with volunteers, and guided public tours of the reserve

Student Conservation Association

Adirondack State Park, NY

Crew Member, Adirondack Corps

May – Aug. 2015

- Led field projects for backcountry trail crew, involving active risk assessment and mitigation, conflict management, and drafting project-specific emergency response plans.
- Partnered with state agency to repair trails, construct bridges, and various tasks using forestry best practices

LEADERSHIP

North Carolina State University

Raleigh, NC

Secretary – Geospatial Graduate Student Organization

Jun. 2020 – Present

- Support geospatial student body, keep organized minutes
- Coordinate Lunch and Learn Seminar Series, as well as Race and Place Seminar Series
- Assist with coordinating events for GIS Week 2021

Secretary – International Society for Tropical Forestry club

Jun. 2020 – Present

- Support group agenda and keep notes; send weekly emails; host guest speakers
- Co-lead diversity, equity, and inclusion workshop for the 2021 ISTF Annual Meeting

Smithsonian Conservation Biology Institute

Front Royal, VA

Coordinator – Meet the Scientist

Sept. 2018 – Aug. 2019

- Coordinated biweekly seminar series for interns, scheduled talks with Smithsonian researchers

SKILLS AND INTERESTS

Computer: R, Google Earth Engine, GitHub, remote sensing

Field studies: Project management, data maintenance, qualitative and quantitative analyses

Communications: Presenting research, teaching ecology to students via hands-on learning, outdoor education

Language: Spanish [intermediate], Arabic [intermediate]

CONFERENCE TALKS AND POSTERS

Poster Presentations

- **McGregor, I.R.**, Gao, X., Gray, J. Satellite vegetation phenology reliably captures timing of carbon fluxes. *Ecological Society of America Annual Meeting*, Salt Lake City, UT (Aug. 2020) [*virtual*]
- **McGregor, I.R.**, Gao, X., Gray, J. The Correspondence of MODIS Land Surface Phenology and GPP; International Association for Landscape Ecology North America [IALE-NA]; Toronto, Canada (May 2020) [*virtual*]

Oral Presentations

- **McGregor, I.R.** & Gray, J. 2021. We Can't Have It Both Ways – Accepting the Trade-off of Detection Time and Accuracy in Multi-Source, Near Real-time Deforestation Monitoring. *American Geophysical Union Annual Meeting*, 12-17 Dec., New Orleans, LA.

Workshop co-lead

- *International Society of Tropical Forestry 2021 Annual Meeting*, Inclusivity Starts with our Design! Participatory Design Workshop for Inclusion, Diversity, Equity, and Accessibility (IDEA) in Tropical Forestry and Natural Resources

GRANTS

NASA, FINESST, \$135,000	2020 – 2023
• Future Investigator in NASA Earth and Space Science and Technology	
NC Space Grant, North Carolina Space Grant Research Fellow, \$10,000	2020 – 2021
USGIF, US Geospatial Intelligence Foundation Doctoral Scholarship, \$5,000	2020 – 2021
IALE-NA, Annual Meeting Student Travel Award, \$700	2020
• International Association of Landscape Ecology North America	
NCSU CGA, Geospatial Analytics Travel Award, \$800	2020
• North Carolina State University Center for Geospatial Analytics	

INVITED TALKS

RTI International, Brown Bag lunch seminar series	Jan. 2021
• Near real-time monitoring of forest disturbance using multi-source imagery	

PROFESSIONAL MEMBERSHIP

Ecological Society of America, American Geophysical Union
